

North West Fire & Security Exhibition

DW Stadium Wigan

AIM are once again hosting our Annual Installer event to give you a chance to come and look at the new and improved technology available for yourself and your customers.

This event will be held at the:

DW Stadium in Wigan on the Wednesday 11th of September 2019.

We are grateful to BT Redcare and CSL for agreeing to be our sponsors again for this year's event.

The doors will be open to visitors from 10am with tea/coffee and breakfast rolls, before delegates move into the auditorium for some key updates from our Guest Speakers.

Guest Speakers

- **Nick Plumb** from Netgenium will be discussing IP Power over Ethernet.
- **David Wilkinson** from BSIA will be discussing Project Echo.

You will also be provided with a light lunch which will be served from 1pm with tea/coffee available.

A business card raffle will also take place on the day so don't forget your business cards. The prizes are 3 pairs of tickets to a football match at the DW Stadium with a meal at Rigalettos before the game

Click the [registration link](#) to attend to this event.

From all at AIM, we will be happy to see you there.
